

December 2016

Saturday 12/3/16 10am-2pm: Come to our open house, take a tour, and help yourself to a warm cup of coffee or tea! We have close to 20 vendors selling handmade crafts and a wonderful variety of jewelry, clothing, skin care products, & purses. Enjoy our cozy atmosphere and get some holiday shopping done all in one place! Bring a friend or two!

Current updates:

We are very excited to announce a new community service project that will start in January. It will be open to kids of all ages that want to make an impact in our town. The Red Wagon sewing room will open once a month for the junior volunteers to sew things for the residents in our local convalescent homes. Once we have enough hand sewn treasures ready, we will meet and deliver them together and pass them out! This is a great opportunity for the kids to learn the value of serving others. All fabric, notions, supplies, etc. will be donated by Red Wagon. Please contact us if your child is interested! We will need lots of kids that know how to sew and are eager to help!

New classes! We are offering an open crafting workshop this month where you can come and make gifts for your friends and family! \$10 registration fee, \$15 per completed craft. You can use anything in our art studio: wood, paint, canvas, stamps, glue, glitter, stickers, jewelry, beads, flowers, stencils, sewing machines, fabric, yarn, ribbon, and the list goes on! We will have a variety of supplies and project ideas set up for you. You can complete as many crafts as you have time for! Register online, you don't want to miss this fun opportunity!

In other news:

- Our December schedule is just about full! If you want to add a last minute field trip or private party, contact us soon! January is also close to full. Reserve your event date soon before the month fills.
- We will start our student of the month program again in December. We choose one deserving child monthly and they are recognized for their accomplishments and given an award.

Volunteers:

If you or someone you know would like to come join our volunteer crew, please contact us! We are always looking for help cutting out patterns and other various things around the studio! Ages 12 to 100 are welcome!

Thank you kindly for your support, it is our pleasure to serve the community!
