

THE RED WAGON NEWSLETTER *JANUARY 2017*

- The most exciting news we have to share is the regular afternoon hours we are adding starting Sunday January 15, 2017! Susan Simms, an amazing local seamstress and alterations specialist, will be at The Red Wagon from 12pm until 4pm every Sunday afternoon. If you have alterations of any kind, she is very reasonable and will take excellent care of you. In addition to adding alterations, Susan will be offering a sewing machine maintenance program. She will clean and oil your sewing machine and or serger machine and get it in pristine working condition. Contact us for more information!
- We don't have a date set yet for our kids community sewing project but are working on it. If you have children ages 8 & up that have taken at least 5 or more sewing classes, they are eligible to come and sew with us once a month at no charge. We will be making some adorable owls to pass out to the residents in our nursing home facilities on the ridge. Please contact us if you have a young seamstress that wants to help in this community project! We are hoping to start towards the end of this month!
- This is a short and sweet newsletter, lots to get done to prepare for all the exciting things coming in 2017! See you soon! Don't forget to share this email with friends and help us spread the word!
