

November 2016

Newsletter

Class updates this month:

- 🍷 We have had multiple requests to repeat one of our adult classes from the October schedule and added the casserole carrier sewing class again for November. This is a wonderful, practical gift that everyone will use, or just make one for your family to enjoy! This class fills quickly, so register online if you would like to reserve a space! (*Note: If the class has filled, and you can find 4 guests to join you, we can always add another date in the future!)
- 🍷 Our November calendar is very full with special events and private Birthday parties. If you would like to plan a party with us, it's best to plan a month ahead to ensure the date you want has space! We try to accommodate everyone as best we can, but the calendar fills quickly so advance notice is very helpful.
- 🍷 November class specials: Sip & Sew for adults, Kids winter cocoa & canvas, and lots of other fun classes for all ages & projects you can make for early Christmas gifts!

....Red Wagon News:....

- 📌 This is a very busy season for us and we are currently looking for a few volunteers (ages 14 to 100) for help with cutting out patterns and various things around the studio. Please contact us if you are interested in helping or for more information!
- 📌 We are planning an American girl doll party in January that you won't want to miss! More to come on that in the December newsletter!
- 📌 We have been discussing the possibility of an event for the boys who enjoy playing and trading Pokeman cards in the future. Please let me know if anyone is interested in letting your kids participate in a tournament! We would need to have enough kids that wanted to do this in order to schedule it.

Thank you kindly for your support, it is our pleasure to serve the community!
